Dear Players and Families,

Firstly I would like to express to all players my appreciation in making the 2009 football season such a great success at Northvale. We were also extremely lucky to have a successful season off the field thanks to all the hard work each parent volunteered putting in valuable time to help our boys/girls out! This support offered by all parents ensured the Northvale Junior Football club was a fun place for our children to learn and play football.

I was recently lucky enough to be re-elected President for 2010 for NJFC. I have accepted this and will treat it as an honour, continuing to work hard for all the players and families involved with the club.

So welcome to 2010, I hope you all had a happy and safe Christmas and New year.

The committee is excited about what lies ahead for NJFC in 2010, and confident in fielding at least 2 more teams offering all age groups from under 9 to under 15.

Please keep in mind our registration day which will be held on Sunday 7th of February at Wellington Reserve Clubrooms from 10am till 12am.

This year the committee has decided to treat each player with a free Northvale Sports Bag on full payment of their fees. The club looked great last year sporting the "Hoodies" and we hope the bags will be useful to the players on game day and training. Please lock in 7<sup>th</sup> February, it will be great to see you all again.

We are also hard at work planning our 40th year anniversary festivities, so stay tuned for more details.

Please call me at any time should you have any questions.
